

Are you a Primary Producer?

Do you need business advice following the floods?

The BIEDO Business Pilot Service provides 1:1 support to assist primary producers get a clear picture of where their business is currently, where they want to be, and how to get there. This program suits:

- Primary producers directly or indirectly affected by the floods of December 2010—January 2011
- Home based business
- Manufacturers
- Food producers
- Intensive farming operations
- Service based business
e.g. earthmoving, fencing contractors etc.

We can also provide assistance with your QRAA forms, general administration (e.g. setting up excel spreadsheets, payroll, BAS etc) and conduct audits of your water, energy and waste (to help you reduce costs and increase profits).

**Your first
five hours
with one of BIEDO's
Business Pilots
are free**

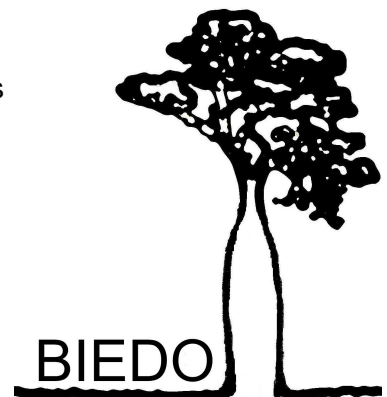

BIEDO is one of 25 service providers nationally providing low cost business advisory services to businesses that have been directly or indirectly affected by the natural disasters that occurred in Australia since October 2010.

BIEDO is the peak economic development body for the Burnett Inland. We drive proactive, positive responses to change, and create opportunities from adversity. *These Business Flood Assistance Services provided by the Burnett Inland Economic Development Organisation are funded by the Australian Government.*
